Subject: filing of written comments -- Docket No. EW-2009-0412

Judge Woodruff - I'm almost certain this is NOT the appropriate process for filing our comments, but I can't find any instructions for doing so in the notice of public meeting, so I'm taking a chance that you might be able to get this filed in the docket. Thanks for your help on this and let me know if you'd like me to send this to someone else.

Many thanks,

Rebecca Stanfield
