COMES NOW the Missouri Industrial Energy Consumers ("MIEC") and submits its Motion to File Testimony Responding to the Commission Staff's Class Cost of Service Study (CCOSS) and related Surrebuttal Testimony or other documents associated with this filing. In support of this Motion, the MIEC states as follows:

1. The Commission Staff has indicated in its data responses in this case that it intends to file a corrected CCOSS, and possibly updates and corrections to revenue allocation and other revenue issues, as part of its Surrebuttal / Cross- Surrebuttal Testimony scheduled to be filed on June 30, 2025.

2. The MIEC requests that it be permitted to file testimony in response to Staff's Surrebuttal / Cross-Surrebuttal filing in the event that there are any errors or problems remaining in the Commission Staff's June 30th filing regarding CCOSS, revenue allocation and other revenue issues. The MIEC requests the opportunity to file this testimony on the Direct True-up Testimony deadline currently set on July 18, 2025.

3. The MIEC's request will not prejudice any party and will assist the Commission's record for decision in this case.

WHEREFORE, the MIEC respectfully requests that the Commission grant the MIEC's Motion to File Surrebuttal Testimony on July 18 in response to the Commission Staff's June 30 CCOSS filing.

Respectfully submitted,

Curtis, Heinz, Garrett & O'Keefe, P.C.
