## PROTECTIVE ORDER

Issue Date: June 25, 2025

Effective Date: June 25, 2025

Union Electric Company d/b/a Ameren Missouri filed an application and supporting testimony requesting approval of a Large Load Customer Rate Plan. On May 19, 2025, Ameren Missouri filed a *Motion for Protective Order*, requesting a protective order under Commission Rule 20 CSR 4240-2.135(4) covering materials and information deemed “highly confidential” by Ameren Missouri. The Commission held a procedural conference on June 13, 2025, to discuss interventions and a procedural schedule.

At the procedural conference the Regulatory Law Judge granted all but one of the applications to intervene and gave the parties until June 17, 2025, to file any responses to Ameren Missouri’s request for a protective order. As of June 17, 2025, no protective order responses were received.

Ameren Missouri seeks protection for market-based supply-side resource costs that, if disclosed, could disadvantage supply-side project negotiations.

The Commission will grant Ameren Missouri’s motion.

### THE COMMISSION ORDERS THAT:

1. Ameren Missouri’s request for a protective order is granted. The specific protections to be afforded are as follows.

a. Certain materials and information divulged by Ameren Missouri shall be considered to be “highly confidential” if so designated at the time of disclosure. Any such designation shall be made in good faith.

b. With regard to entities and individuals other than the Commission, the Staff of the Commission, and the Office of the Public Counsel:

i. Disclosure of materials or information so designated shall be made only to attorneys and/or to such outside consultants who have executed a Commission Nondisclosure Agreement. No “highly confidential” information shall be provided directly or indirectly to any non-attorney individual or employee.

ii. Persons afforded access to materials or information designated “highly confidential” shall neither use nor disclose such materials or information for purposes of business or competition or any other purpose other than in regard to the case referenced above and shall keep the materials and information secure and confidential and in accordance with the purposes and intent of the protective order.

iii. All material and information designated as “highly confidential” in the possession of any entity or person, as well as any notes pertaining to such information, shall be returned to Ameren Missouri or destroyed upon the conclusion of the referenced case.

c. If a party disagrees with the “highly confidential” designation of any information, the party shall follow the informal discovery dispute resolution procedures set forth in Commission Rule 20 CSR 4240-2.090(8). If the party exhausts these dispute resolution procedures, the party may file a motion challenging the designation.

2. All persons authorized to access “confidential” information in this case shall complete the nondisclosure agreement attached to this order as Exhibit A.

3. All persons authorized to access “highly confidential” information in this case shall complete the nondisclosure agreement attached to this order as Exhibit B.

4. This order shall be effective when issued.
