## ORDER DIRECTING FILING

Issue Date: May 12, 2016

Effective Date: May 12, 2016

On December 2, 2015, the Commission issued an *Order Opening a Working Case Regarding Electric Vehicle Charging Facilities*. At a Commission agenda meeting on May 11, 2016, one of the Commissioners expressed an interest in examining data relating to the number of charging events and amount of energy consumed at electric vehicle charging stations in the service areas of Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company. Therefore, the Commission will direct those companies to provide any information in their possession relating to those matters.

### **THE COMMISSION ORDERS THAT:**

1. No later than May 25, 2016, Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company shall file in File No. EW-2016-0123 any information in their possession relating to the number of charging events and amount of energy consumed at electric vehicle charging stations in their service areas within the previous twelve months.

2. The Commission's Data Center shall provide a copy of this order to Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company.

3. This order shall be effective when issued.
