This request to block traffic is being made pursuant to the Missouri Public Service Commission Enhanced Record Exchange Rule, 4 CSR 240-29.130 of Missouri's Code of State Regulations. Specifically, terminating carriers may request the originating tandem carrier to block traffic over the LEC-to-LEC network where the originating carrier has failed to fully compensate the terminating carrier for terminating compensable traffic. See 4 CSR 240-29.130.

Accordingly, please be advised that unless T-Mobile pays in full the amounts indicated above for each of the Small Companies, wireless originated calls from T-Mobile to the above listed exchanges and NPA/NXXs will be blocked over the LEC-to-LEC network on and after June 21, 2006. Correspondence and/or communication regarding this matter should be directed to me at the above address.
