**RESPONSE OF THE CONSUMERS COUNCIL OF MISSOURI TO MIEC MOTION TO FILE ADDITIONAL TESTIMONY**

COMES NOW the Consumers Council of Missouri (“Consumers Council” or “CCM”), and hereby responds to the “Motion to File Testimony Responding to the Commission’s Staff’s June 30 Class Cost of Service Study and any Related Testimony”, filed on June 25, 2025, by the Missouri Industrial Energy Consumers (MIEC), in which MIEC asks the Commission to potentially allow it to file additional testimony in response to the Commission Staff’s (Staff’s) June 30 surrebuttal filings expected today.

Consumers Council takes no position on the relief requested by MIEC, except to say that if the Commission grants additional testimonial opportunities to MIEC, it should also simultaneous grant the same testimonial opportunity to other parties. With regard to the underlying class cost of service study issues, Consumers Council requests that it be allowed the same due process afforded to MIEC.

Respectfully submitted,

Dated: June 30, 2025
