**RE: Relinquishment of Eligible Telecommunications Carrier (ETC) Designation — LTD Broadband LLC**

Dear Secretary Dippell:

LTD Broadband LLC hereby notifies the Missouri Public Service Commission of its intent to relinquish its Eligible Telecommunications Carrier (ETC) designation in the state of Missouri, effective July 2, 2025.

LTD Broadband LLC obtained its ETC designation in Missouri solely for the purpose of participating in the Federal Communications Commission's Rural Digital Opportunity Fund (RDOF) program. However, the company did not ultimately receive RDOF support in Missouri because its long-form application was denied by the FCC. As a result, LTD Broadband has not provided supported services under its Missouri ETC designation.

LTD Broadband LLC confirms that it has never had any Lifeline customers in Missouri and therefore no existing customers will be impacted by this relinquishment. Additionally, there are other designated ETCs serving these areas, ensuring that Missouri consumers will continue to have access to supported services if needed.

Please let us know if any additional information or action is required to complete this relinquishment. Thank you for your assistance and cooperation in this matter. Should you have any questions, please contact me directly at [coreyhauer@ltdbroadband.com](mailto:coreyhauer@ltdbroadband.com) or (507) 318-0143.

Sincerely,

Corey Hauer
