**CLARIFICATION REGARDING NOTICE OF APPEAL FILING - NO**  
**COMMISSION ACTION REQUESTED**

### To the Commission:

This letter is respectfully submitted for the purpose of clarification and correction of any procedural misunderstanding regarding the undersigned's prior filing titled *Notice of Appeal Pursuant to § 386.510*.

As stated in that submission, the filing was not made for the purpose of requesting or initiating any further action from the Missouri Public Service Commission (“Commission”). Rather, it was intended **solely to give formal notice** that an appeal of the Commission’s *Order Rejecting Complaint* has been initiated with the **Missouri Court of Appeals, Western District**, under the authority granted in **§ 386.510 RSMo**.

The submission was not intended to invoke appellate jurisdiction within the Commission itself, and no appeal was filed “to” the Commission. Instead, it was properly directed “to” the Missouri Court of Appeals and served on the Commission *as a party of record* per statutory notice obligations.

Accordingly, no further action is requested or expected from the Commission on this matter.

Respectfully submitted,

*By: /s/Robert L. Davis Jr.*
