SUBJECT: Staff Recommendation for Suspension Of Advanced Metering Infrastructure (AMI)
Home Area Network Pilot Program (HAN), Schedule HAN

DATE: September 27, 2011

On August 31, 2011, Kansas City Power & Light Company (KCPL or Company) filed with the Commission four (4) original tariff sheets with a proposed effective date of September 30, 2011. Due to information obtained from KCPL on September 27, 2011, Staff has determined that the tariff sheets filed on August 31, 2011 are incorrect. Therefore, Staff is recommending suspension of the tariff sheets in order to allow sufficient time for KCPL to withdraw the tariff sheets and to refile the tariff sheets and for Staff to review the refiled tariff sheets.
