## ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: July 10, 2020

Effective Date: July 10, 2020

On June 25, 2020, Spire Missouri Inc. applied for a depreciation authority order establishing a new annual depreciation rate for smart meter devices.

On June 29, 2020, Midwest Energy Consumers Group (MECG) filed an application to intervene. MECG's application contends its interests are different from the general public. MECG contends allowing MECG to intervene will serve the public interest by assisting the record for the Commission's decision in this case. More than 10 days have passed since MECG applied to intervene; no party has objected to MECG's application.

The Commission will grant MCEG's application to intervene based on a determination that intervention will serve the public interest.<sup>1</sup>

**THE COMMISSION ORDERS THAT:**

1. MEEG's application to intervene is granted.
2. This order shall be effective when issued.

<sup>1</sup> Bases for granting intervention include a finding intervention will serve the public interest. 20 CSR 4240-2.075(3).
