FIRST AMENDED ORDER GRANTING CERTIFICATE OF SERVICE AUTHORITY

Issue Date: July 14, 2020

Effective Date: July 25, 2020

On July 10, 2020, Smart Communications Holding, Inc. (the Company) filed an Application for a Certificate of Service Authority to offer and provide intrastate interexchange telecommunications services in all exchanges in Missouri as permitted by Sections 392.611.4 and 392.550, RSMo. On July 14, 2020, the Commission, having found the Application and attached affidavit complied with Section 392.550, RSMo, issued its Order Granting Registration of Service Authority. Section 392.440, et seq., RSMo, requires a company to acquire a certificate of service authority and to do so through the Section 392.550, certification process. The Commission finds its order should expressly state both that the Company's application complied with Section 392.550, RSMo, and that a certificate of service authority is granted. The Commission so finds and will issue its order granting certificate of service authority. As Section 392.550.3, RSMo, requires approval of the application within 30 days of filing, the Commission will make this order effective in ten days.

THE COMMISSION ORDERS THAT:

1. Smart Communications Holding, Inc. is granted certificate of service authority allowing it to offer and provide Intrastate Interexchange telecommunications services in all exchanges in Missouri.
2. This Order shall be effective on July 25, 2020.
3. This file shall close on July 26, 2020.
