III. DESCRIPTION OF THE PROPOSED TRANSACTION

As part of an internal corporate reorganization, the Missouri customers of NetFortris Acquisition Co, Inc., Fonality Inc. and their parent company, NetFortris Corporation, are undertaking a corporate reorganization expected to be consummated in late June 2025.

The reorganization will commence with the liquidation of NetFortris Acquisition Co, Inc. with its customers and assets being distributed to NetFortris Corporation. Following this step, NetFortris Corporation and Fonality Inc. will be merged into Sangoma US Inc., which will be the surviving entity.

After the completion of this reorganization, NetFortris Acquisition Co, Inc., NetFortris Corporation, and Fonality Inc. will no longer exist as separate legal entities. There will be no change to the management, corporate ownership, employees, rates, services, or other contract rights and obligations of the company serving NetFortris and Fonality customer base.
