RE: HT-2025-0280 – for service provided Q2 2025

Dear Ms. Dippell:

Filed through EFIS is the following steam tariff sheet for filing on behalf of Evergy Missouri West, Inc. d/b/a Evergy Missouri West – For St. Joseph, Missouri and Environs, providing the current Quarterly Cost Adjustment (“QCA”) per the Stipulation and Agreement in Case No. HR-2009-0092, and adjusted in Case No. HR-2018-0231.

The tariff sheet, listed below, has a proposed effective date of September 1, 2025. The proposed QCA rate of \$0.2168 as compared to the current effective credit rate of (\$0.1006) is an increase driven by higher fuel costs in Q2 2025 compared to Q2 2024. Workpapers in support of the calculation are also included with this filing.

The proposed QCA charge for steam customers is \$0.2168 per mmBtu. Based on usage of 1,000 mmBtu per month, the customer will see a monthly charge of \$216.80. This represents an increase of \$317.40 compared to the current monthly QCA credit of (\$100.60).

Evergy Missouri West, Inc. d/b/a Evergy Missouri West, PSC Mo. No. 1, Steam Rates, Effective September 1, 2025 – 65th Revised Sheet No. 6.10, canceling 64th Revised Sheet No. 6.10.

Respectfully,

Linda J. Nunn
