Case No. EA-2025-0344

ORDER DIRECTING FILING

Issue Date: July 21, 2025

Effective Date: July 21, 2025

On June 26, 2025, Union Electric Company d/b/a Ameren Missouri filed the above-referenced application. Ameren Missouri wishes to offer retail service to a solar farm operated by New Madrid Solar LLC. Included therewith was a motion for expedited treatment, in which Ameren Missouri asks for a Commission order no later than August 1, 2025.

The Commission gave notice of the application, and Renew Missouri applied for intervention. The Staff of the Commission filed its Recommendation on July 15, 2025.

Staff recommends the Commission grant the requested certificate, and also recommends that Ameren Missouri be ordered to indicate on its tariff sheet the location that Pemiscot-Dunklin Electric Cooperative, Inc. may provide emergency service to New Madrid Solar. The Commission gave time for parties to respond, and no party objected to Ameren Missouri's application or to Staff's Recommendation.

Thus, the Commission will order Ameren Missouri to file a substitute tariff as requested in Staff's Recommendation.

THE COMMISSION ORDERS THAT:

1. Ameren Missouri shall file a substitute tariff sheet as requested in Staff's Recommendation filed no later than July 23, 2025.
2. Any objections or responses to that substitute tariff shall be filed no later than July 24, 2025.
3. This order shall be effective when issued.
