**ORDER DIRECTING NOTICE AND DIRECTING
STAFF TO FILE A RECOMMENDATION**

Issue Date: April 2, 2015

Effective Date: April 2, 2015

On April 1, 2015, The Empire District Electric Company submitted testimony regarding the under-collection of eligible fuel and purchased power costs during the recovery period ending November 30, 2014.

Under Commission rule 4 CSR 240-20.090(4), the Staff of the Commission shall submit a recommendation regarding the proposed adjustment no later than 30 days after the tariff filing. Within 60 days after receiving the proposed adjustment, the Commission must: (1) issue an order deciding the true-up; (2) suspend the time-line; or, (3) if necessary, hold a hearing. Consequently, the Commission will issue notice of this tariff filing, set an intervention deadline and direct the Staff of the Commission to file a recommendation.

4 CSR 240-3.161(10) provides that parties to the rate case in which the Commission established Empire's fuel adjustment clause are parties to this case without having to request intervention. The Commission therefore acknowledges that parties in File No. ER-2012-0345 are parties to this case and will direct the Data Center to include the parties to the service list.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall serve a copy of this order upon the county commission of each county in The Empire District Electric Company's service area.

2. The Commission's Data Center shall add all of the parties to File No. ER-2012-0345 to the service list for this case.

3. The Commission's Public Information Office shall make notice of this order available to the members of the General Assembly representing constituents in The Empire District Electric Company's service area and to the news media serving those areas.

5. The Staff of the Commission shall file, no later than May 1, 2015, a recommendation regarding its examination and analysis of The Empire District Electric Company's application.

6. This order shall be effective when issued.
