**ORDER ESTABLISHING TIME TO RESPOND TO COMMENTS OF
RENEW MISSOURI**

Issue Date: June 1, 2016

Effective Date: June 1, 2016

On April 15, 2016, KCP&L Greater Missouri Operations Company (GMO) filed its 2016 Renewable Energy Standard Compliance Plan, as required by Commission Rule 4 CSR 240-20.100(8). That regulation requires Staff to file a report about the plan, and offers other interested persons or entities an opportunity to file comments. Staff filed its report on May 27, finding no deficiencies in GMO’s plan. United For Missouri filed comments on May 28. In its comments, United of Missouri asks the Commission to direct GMO to “provide a reasoned analysis why the compliance plan is the least cost, prudent methodology to achieve compliance with the RES as required in its rule”.

Renew Missouri filed comments on May 27, 2016, in File No. EO-2016-0281, which concerns GMO’s 2015 Renewable Energy Standard Compliance Report. Those comments were captioned to include File No. EO-2016-0283, but were not actually filed in this case until June 1, 2016, after the Commission had issued an order establishing the date for response to Staff’s report and United For Missouri’s comments. By this order, the Commission will establish a time for the filing of responses to Renew Missouri’s comments.

THE COMMISSION ORDERS THAT:

1. Any person or entity wishing to respond to the Comments of Renew Missouri shall do so no later than June 13, 2016.
2. This order shall be effective when issued.
