File No. EO-2018-0051

ORDER GRANTING WAIVER OF 60-DAY NOTICE REQUIREMENT

Issue Date: September 11, 2017

Effective Date: September 11, 2017

On September 1, 2017, Union Electric Company d/b/a Ameren Missouri filed its application for acceptance of its filing of cost estimates for Callaway Energy Center decommissioning. Previously, on August 16, 2017, Ameren Missouri filed a notice of its intent to file that application along with a request for waiver of the 60-day notice requirement of Commission Rule 4 CSR 240-4.017(1).

That rule requires that any person intending to file a case before the Commission file a notice of their intent at least 60 days before filing the case. The required notice must describe the type of case to be filed and the issues likely to be brought before the Commission. It must also summarize any contacts between the filing party and the office of the Commission within the previous 90 days. Section 4 CSR 240-4.017(4) allows the Commission to waive the 60-day notice requirement for good cause.

Ameren Missouri asserts that good cause for its failure to comply with the 60-day notice requirement exists because another Commission Rule, 4 CSR 240-3.185(3), requires that its decommissioning application be filed by September 1. The 60-day notice requirement did not go into effect until July 30, 2017, which is less than 60 days before the

application was required to be filed. In addition, Ameren Missouri filed a verified statement indicating it has not had any communications with the office of the Commission about any substantive issue regarding its application in the preceding 150 days.

Ameren Missouri has demonstrated good cause for its failure to file a 60-day notice and the Commission will grant the requested waiver.

THE COMMISSION ORDERS THAT:

1. Union Electric Company d/b/a Ameren Missouri's request for waiver of the 60-day notice requirement of 4 CSR 240-4.017(1) is granted.
2. This order shall be effective when issued.
