

BEFORE THE PUBLIC SERVICE COMMISSION
STATE OF MISSOURI

In the Matter of Missouri Gas Energy's)	
Purchased Gas Adjustment (PGA))	
Factors to be Audited in its 2002-2003)	Case No. GR-2003-0330, et al.
Actual Cost Adjustment)	

STATEMENT IN LIEU OF PREHEARING BRIEF

Enbridge Pipelines has no objection to the issues presented for hearing beginning August 28, 2006 provided, however, the evidence elicited does not implicate any of the Kansas Pipeline issues which have been bifurcated by prior Commission order. Because the Kansas pipeline issues remain pending at the Missouri Supreme Court, the bifurcation orders and policies underlying them should be maintained.

Respectfully submitted,
