**STAFF'S STATUS REPORT**

**COME NOW**, the Staff and in lieu of a proposed procedural schedule, presents this status report in order to advise the Commission of the status of this case.

1. This case involves an issue of tariff language in MGE's currently effective tariff regarding the limitation of MGE's liability.

2. The Staff continues to work with Laclede Gas Co. in Case No. GT-2009-0056, a case also involving liability limiting tariff language, in order to seek an agreement on appropriate language in Laclede's tariff. The effective date of Laclede's tariff in that case was again extended recently to June 29, 2009.

3. Staff states that Laclede and the Staff are making progress toward reaching a resolution in the Laclede tariff matter. A resolution of the appropriate tariff language for Laclede will have a bearing on what Staff believes should be the appropriate tariff language for MGE, and requests that the Commission allow the parties to continue discussions and provide another status report after July 31, 2009.

WHEREFORE, Staff presents its status report and requests the Commission to extend the time to file a proposed procedural schedule until July 31, 2009.

Respectfully Submitted,
