**RESPONSE TO ORDER**

Missouri Electric Commission (MEC) has been excused from the hearing in this case by the Commission's *Order Setting Procedural Schedule* issued on July 8, 2025. As a result, MEC takes no position on specific dates for rescheduling the hearing, however MEC again requests the opportunity for remote attendance at said hearing.

Given the importance of the project, MEC does encourage expeditious treatment of this case and urges the Commission to set as early a hearing date as possible.

Respectfully submitted,
