**RESPONSE TO ORDER**

Sierra Club provides the following response to the Commission’s August 6, 2025 Order Directing Filing.

Sierra Club has been excused from the hearing in this matter by Commission’s *Order Setting Procedural Schedule* issued on July 8, 2025. As a result, Sierra Club takes no position on specific dates for rescheduling the hearing; however, Sierra Club requests that it be permitted to appear remotely at the rescheduled hearing.

Because of the importance of the proposed project, Sierra Club does encourage expeditious treatment of this case and urges the Commission to set as early a hearing date as possible.

Respectfully Submitted,
