**AMEREN MISSOURI QUARTERLY REPORT  
AND MOTION TO CEASE REPORTING**

**COMES NOW** Union Electric Company, d/b/a Ameren Missouri ("Ameren Missouri" or the "Company") and for its quarterly report on certain projects arising from the Rush Island Energy Center's ("Rush Island") retirement stated as follows:

1. According to the Missouri Public Service Commission's ("Commission") February 20, 2025 *Order Reducing Reporting Requirement*, ("Order") the Company is to report quarterly on the items outlined below until they are complete. The Company submits this second quarterly report.

2. Outlined below is the status of the items in question:

- Final STATCOM (in service June 2025). This final STATCOM was placed into service on June 20, 2025.
- Draining oil from plant equipment. Status of work - complete
- Plant washdowns to remove coal combustion residual material including boilers, silos, etc. Status of work - complete
- Continuing with the removal of all hazardous wastes (Antifreeze, feedwater chemicals, etc.). Status of work - complete
- Installation of temporary power to critical areas such as stack & river lighting, sump pumps, etc. Status of work - complete
- Asbestos survey of the plant. Status of work - complete

- All equipment is being de-energized and Worker Protection Assurance devices installed. Status of work - complete
- Remaining storeroom items are out for bid from vendors for removal. The transfer of pre-determined usable assets to other locations is continuing.  
Status of work - complete

3. At this time, all of the work listed in the *Order* has been completed. As such, Ameren Missouri asks that the Commission release it from the obligation to file monthly progress reports on these same issues and close this docket.

**WHEREFORE**, Ameren Missouri hereby submits its quarterly report and asks the Missouri Public Service Commission accept the report and allow the Company to cease filing quarterly reports for work listed in its February 20, 2025 *Order*.

Respectfully submitted,

/s/ Wendy Tatro
