COME NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"), the Office of Public Counsel ("OPC"), Renew Missouri Advocates d/b/a Renew Missouri ("Renew Missouri"), and Consumers Council of Missouri ("Consumers Council"), collectively, the "Parties," and jointly file a Joint Status Report ("Report") on the progress to implement the statewide Missouri Energy Efficiency Investment Act ("MEEIA") Feasibility Study.

1. On October 30, 2024, Ameren Missouri, OPC, Renew Missouri and Consumers Council submitted a *Stipulation and Agreement* ("Agreement") to the Commission for approval. The Commission issued its *Order Approving Non-Unanimous Stipulation and Agreement and Granting Waivers* on November 14, 2024. That *Agreement* included the submission of a revised *Ameren Missouri 2025-27 MEEIA Energy Efficiency Plan*.

2. Under the *Agreement*, the Parties agreed to conduct a Feasibility Study and open a non-contested workshop docket with certain considerations. The Parties also agreed to present progress at Public Service Commission ("Commission") Agenda meetings during the fourth quarter of 2024 and 2025. In lieu of making a fourth quarter presentation for 2024, the Parties filed a status report on January 15, 2025. The Parties stated that they would file another status report regarding the progress made since the last status report. The Parties now provide the following status update.

3. The Parties issued a request for proposals in the spring of 2025 and after the Parties evaluated the bids, Opinion Dynamics was selected to develop the Statewide MEEIA Feasibility

Study and American Council for an Energy-Efficient Economy ("ACEEE") will work with Opinion Dynamics as a subcontractor. The Parties anticipate a draft study will be finalized by December 31, 2025, and the final draft will be completed by January 31, 2026.

WHEREFORE, the Parties respectfully request the Commission take notice of this second Status Report on the statewide MEEIA Feasibility Study.

Respectfully submitted,
