**RULES AND REGULATIONS  
ELECTRIC**

**2.06 Cold Weather Rule (Continued):**

- D. The Company will not make oral representations of service termination for nonpayment when termination would occur on a known “no-cut” day as governed by the temperature moratorium.
  
- E. Weather Provisions. Discontinuance of electric service to all residential users, including all residential tenants of apartment buildings, for nonpayment of bills where electricity is used as the source of space heating or to control or operate the only space heating equipment at the residence is prohibited as follows:
  - (1) On any day when the National Weather Service local forecast between 6:00 a.m. to 9:00 p.m., for the following seventy-two (72) hours predicts that the temperature will drop below thirty-two degrees Fahrenheit (32° F); or
  - (2) On any day when Company personnel will not be available to reconnect electric service during the immediately succeeding day(s) (Period of Unavailability) and the National Weather Service local forecast between 6:00 a.m. and 9:00 p.m. predicts that the temperature during the Period of Unavailability will drop below thirty-two degrees Fahrenheit (32° F); or
  - (3) From November 1 through March 31, for any registered low income elderly or low income disabled customer (as defined in this Rule), provided that such customer has entered into a Cold Weather Rule payment plan, made the initial payment required by Section J of this Rule and has made and continues to make payments during the effective period of this Rule that are at a minimum the lesser of fifty percent (50%) of:
    - (a) The actual bill for usage in that billing period; or
    - (b) The average payment amount agreed to in the Cold Weather Rule payment plan. Such reductions in payment amounts may be recovered by adjusting the customer's subsequent average payment amounts for the months following March 31.
  - (4) Nothing in this Section shall prohibit Company from establishing a higher temperature threshold below which it will not discontinue electric service.
