**ORDER NUNC PRO TUNC**

Issue Date: February 23, 2016

Effective Date: February 23, 2016

On February 10, 2016, the Commission issued an Order Approving Non-Unanimous Stipulation and Agreement (“Stipulation”).<sup>1</sup> That Order stated that the Earnings Opportunity from the Stipulation and Agreement was approximately \$24.7 million.

On February 19, Ameren Missouri filed a motion to correct the order *nunc pro tunc* to accurately state what the Stipulation actually says. The Stipulation and Agreement actually lists Ameren Missouri’s Earnings Opportunity as approximately \$27.5 million. This order corrects the Commission’s typographical error.

**THE COMMISSION ORDERS THAT:**

1. The Order Approving Non-Unanimous Stipulation and Agreement issued on February 10, 2016 is corrected *nunc pro tunc* to state that the Earnings Opportunity is only \$27.5 million.

2. This order shall be effective when issued.
