On August 19, 2025,<sup>1</sup> the Commission held a procedural conference with the parties in order to discuss scheduling an evidentiary hearing date. At the conference, counsel for Ameren Transmission Company of Illinois (ATXI) requested that the Commission modify the procedural schedule to expand the response time for data requests if the hearing date were to be delayed. On August 21, the Commission rescheduled the hearing from September 26 to October 27.

The procedural schedule currently states “After the due date for filing of Direct testimony (July 17, 2025) and before the due date for filing of Surrebuttal testimony (August 28, 2025), the response time for data requests shall be ten calendar days to provide the requested information, and five business days to object or notify that more than ten calendar days will be needed to provide the requested information.
