File No. EO-2015-0267

ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: May 26, 2015

Effective Date: May 26, 2015

On April 15, 2015, Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri”) filed its 2015-2017 Renewable Energy Standard Compliance Plan and its 2014 Compliance Report pursuant to Commission Rule 4 CSR 240-20.100. The Commission received intervention requests from Fred N. Sauer and United for Missouri.

Commission Rule 4 CSR 240-2.080(13) allows parties ten days to respond to pleadings unless the Commission orders otherwise. The Commission issued no order to the contrary, ten days have elapsed since those applications to intervene were filed, and the Commission received no responses to those applications. Consequently, the Commission will take them up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that the applicants meet the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the applications to intervene.

THE COMMISSION ORDERS THAT:

1. The above-referenced applications to intervene are granted.

2. This order shall be effective when issued.
