of Section 393.1075, the Missouri Energy Efficiency) **File No. EX-2010-0368**
Investment Act)

ORDER DIRECTING FILING

Issue Date: August 25, 2010

Effective Date: August 25, 2010

The Commission is moving forward with the formal rulemaking process to implement provisions of Section 393.1075, the Missouri Energy Efficiency Investment Act ("MEEIA"). The Commission wishes to hear from the participants of this docket if there are any issues or concerns with the current draft rules. To that end the Commission will set a schedule for filings. This schedule will not alter the normal comment process once the rules are published by the Secretary of State.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall file the most up-to-date draft of the rules no later than August 26, 2010.
2. Any participant to the rulemaking process that has any legal issue or concern in relation to the rules shall file a comprehensive list of issues with the Commission no later than September 7, 2010. This list shall identify any section of the rule with particularity and shall succinctly state the legal issue or concern with those provisions.
3. Any participant identifying an issue pursuant to ordered paragraph number 2, shall provide the commission with a full legal briefing of that issue no later than September 14, 2010.

4. This order shall become effective immediately upon issuance.
