STAFF UPDATED PROPOSED TARIFF

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Updated Proposed Tariff* in this matter hereby states:

Included in the *Global Stipulation and Agreement* filed on April 13, 2020, the signatories adopted a modified version of Staff's proposal for the Sales Reconciliation to Levelized Expectations (SRLE) mechanism and filed a proposed tariff reflecting the details of such program. To reduce potential confusion concerning the treatment of the Tax Reduction Rate in the Global Agreement as it relates to calculation of amount under the SRLE, Staff in discussion and with the agreement of the signatories, has drafted the attached Updated Proposed Tariff, which it files on behalf of the signatories for clarification.

WHEREFORE, Staff prays that the Commission will accept Staff's *Updated Proposed Tariff*; and grant such other and further relief as the Commission considers just in the circumstances.
