## ORDER ACCEPTING CORRECTIONS TO PREFILED TESTIMONY

Issue Date: July 6, 2022

Effective Date: July 6, 2022

On June 30, 2022, the Midwest Energy Consumers Group (MECG) requested leave to file corrected testimony of Kavita Maini. MECG explained an error occurred relating to carrying forward figures associated with Evergy West rather than Evergy Metro.<sup>1</sup>

MECG has already taken steps to circulate corrected workpapers and point out the error to counsel. Because the information is included in prefiled testimony of Ms. Maini, MECG seeks to substitute a corrected page 32. MECG attached a tracked-changes version and a clean version to its motion.

The Commission finds the request reasonable and will grant it. However, at the evidentiary hearing if MECG submits the direct prefiled testimony of Ms. Maini as an exhibit, the Commission will require the exhibit to be a single document without corrections for the convenience of later citation. In other words, MECG will need to submit the clean and corrected version *of the whole document of Ms. Maini's direct prefiled testimony* when being submitted as an exhibit.

---

<sup>1</sup> The correction request is limited to File No. ER-2022-0129, the pending general rate case of Evergy Metro. The pending general rate case for Evergy West is File No. ER-2022-0130.

**THE COMMISSION ORDERS THAT:**

1. The motion of MECG to correct page 32 of Ms. Maini's prefiled direct testimony is granted.
2. This order is effective when issued.
