Case No. EO-2006-0493

RESPONSE OF THE EMPIRE DISTRICT ELECTRIC COMPANY

In response to the Missouri Public Service Commission's (Commission) "Order Granting Leave to Withdraw Motion and Directing Filing of Additional Pleadings," dated December 26, 2006, The Empire District Electric Company ("Empire" or "Company") hereby adopts its November 10, 2006, response to the Commission Staff's "Motion to Open Rulemaking Docket." Empire believes the positions stated in that response accurately and adequately reflect the Company's position on the threshold question of whether the prior state action exemption applies to the Net Metering Standard that was included in the "Energy Policy Act of 2005," and that no supplementation of those positions is necessary at this time.

Respectfully submitted,
