Renewable Energy Standard Rate Adjustment Mechanism (RESRAM): Ameren Missouri established the RESRAM to comply with voter approved legislation that requires 15% of energy produced to be renewables, such as solar and wind. The RESRAM line item is adjusted on an annual basis and may appear as a charge or a credit.

DESCRIPTION	USAGE	UNIT	RATE CHAF	RGE
Winter Elec Energy Chg 0-750	750.00	kWh	@ \$ 0.09190000 \$68.	.93
