MOTION TO CONSOLIDATE

COMES NOW Missouri-American Water Company ("MAWC") and for its *Motion to Consolidate* states as follows to the Missouri Public Service Commission ("Commission"):

1. On September 24, 2025, MAWC filed applications seeking an order granting an expansion of its existing Certificates of Convenience and Necessity. The expansion would authorize MAWC to construct, install, own, operate, maintain, and otherwise control the water and sewer systems in various areas in Missouri. The cases were assigned File Nos. WA-2026-0075 and SA-2026-0076.

2. In both cases, MAWC is the applicant, and in several locations the water and sewer territories involved overlap. Thus, the cases reference the same subject matter, will involve similar parties, and will contain common questions of law and fact. Consolidation of File Nos. WA-2026-0075 and SA-2026-0076 would promote administrative efficiency for filings and discovery.

3. Previous cases of this nature have been consolidated for the ease of filings and discovery. Commission Rule 20 CSR 4240-2.110 (3) allows the Commission to issue orders concerning pending cases to avoid unnecessary costs or delays if the actions involve related

questions of law or fact. Thus, MAWC requests the Commission consolidate the above-captions cases, designating WA-2026-0072 as the lead case.

WHEREFORE, MAWC requests the Commission issue an order consolidating File Nos. WA-2026-0075 and SA-2026-0076, designating File No. WA-2026-0075 as the lead case, and grant such further and other relief as is just and proper in the circumstances.

Respectfully submitted,

Dean L. Cooper, Mo. Bar #36592
