File No. WA-2026-0072

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”),
by and through counsel, and for its *Status Report* states as follows:

1. On September 24, 2025, Missouri-American Water Company (“MAWC”) filed a Certificate of Convenience and Necessity (“CCN”) application with the Missouri Public Service Commission (“Commission”), pursuant to Section 393.170, RSMo.

2. On the same day, the Commission issued an order directing Staff to “file a pleading indicating when it can file a recommendation” by October 23, 2025.

3. Due to the scale and complexity of this acquisition, additional time will be necessary. If discovery and subsequent review proceeds smoothly, Staff has determined it can file a recommendation or alternative pleading regarding MAWC’s application no later than January 22, 2026.

WHEREFORE, Staff respectfully submits this *Status Report* for the Commission’s consideration and prays the Commission grant further relief as it deems just and reasonable.

Respectfully submitted,

/s/ Andrea B. Hansen
