RE: HT-2025-0280 – for service provided Q3 2025

Dear Ms. Dippell:

Filed through EFIS is the following steam tariff sheet for filing on behalf of Evergy Missouri West, Inc. d/b/a Evergy Missouri West – For St. Joseph, Missouri and Environs, providing the current Quarterly Cost Adjustment (“QCA”) per the Stipulation and Agreement in Case No. HR-2009-0092, and adjusted in Case No. HR-2018-0231.

The tariff sheet, listed below, has a proposed effective date of December 1, 2025. The proposed QCA rate of \$0.3976 as compared to the current effective rate of \$0.2168 is an increase driven by higher fuel costs in Q3 2025 compared to Q3 2024. Workpapers in support of the calculation are also included with this filing.

The proposed QCA charge for steam customers is \$0.3976 per mmBtu. Based on usage of 1,000 mmBtu per month, the customer will see a monthly charge of \$397.60. This represents an increase of \$180.80 compared to the current monthly QCA charge of \$216.80.

Evergy Missouri West, Inc. d/b/a Evergy Missouri West, PSC Mo. No. 1, Steam Rates, Effective December 1, 2025 – 66th Revised Sheet No. 6.10, canceling 65th Revised Sheet No. 6.10.

Respectfully,

A handwritten signature in cursive script that reads "Linda J. Nunn".

Linda J. Nunn
