Subject: Relinquishment of Eligible Telecommunications Carrier (ETC) Designation

To Whom It May Concern:

Pursuant to 47 U.S.C. §214(e)(4) and the applicable Missouri regulations, Big River Broadband d/b/a Circle Fiber hereby provides formal notice of its intent to relinquish its Eligible Telecommunications Carrier (ETC) designation in the State of Missouri.

This notice is submitted at least sixty (60) days prior to the effective date of relinquishment, as required by statute. The company has ensured compliance with all obligations under §214(e)(4). The company doesn't have any Lifeline customers in Missouri and therefore no existing customers will be impacted by the relinquishment. Additionally, there are other designated ETCs serving these areas, ensuring that Missouri consumers will continue to have access to supported services if needed.

Big River Broadband d/b/a Circle Fiber requests that the Missouri Public Service Commission acknowledge this notice and process the relinquishment of its ETC designation effective December 22, 2025.

Should the Commission require any additional information or documentation to complete this process, please contact:
