**ORDER GRANTING THE APPLICATION TO INTERVENE OF  
THE MISSOURI RETAILERS ASSOCIATION**

Issue Date: October 5, 2010

Effective Date: October 5, 2010

On September 3, 2010, Union Electric Company, d/b/a Ameren Missouri, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established September 27 as the deadline for interested parties to apply to intervene.

The Missouri Retailers Association applied to intervene on September 20. The Missouri Retailers Association is a not-for-profit association that serves the needs of retailers, grocers, and their distribution facilities throughout the state. The members of the association who are served by Ameren Missouri purchase large amounts of electricity. More than ten days have passed since the Missouri Retailers Association applied to intervene and no party has objected to that application.

The Commission finds that the interest of the Missouri Retailers Association in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing the Missouri Retailers Association to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

**THE COMMISSION ORDERS THAT:**

1. The Application to Intervene of the Missouri Retailers Association is granted.
2. This order shall become effective on October 5, 2010.
