**REQUEST TO APPEAR REMOTELY**

COMES NOW Sierra Club and requests permission for the undersigned counsel and its witness Caroline Palmer to appear remotely at the Evidentiary Hearing in this matter. In support of this request, Sierra Club states as follows:

1. This matter is currently set for an evidentiary hearing November 17-21, 2025.
2. Sierra Club intends to present one witness at the hearing—Caroline Palmer.
3. Ms. Palmer, who resides outside of the State of Missouri, is in the third trimester of her pregnancy, and in order to avoid the difficulties of travel, would like to present her testimony remotely.
4. Sierra Club is a signatory to the Corrected Non-Unanimous Global Stipulation and Agreement filed on November 9, 2025. As a result, Sierra Club does not intend to present any evidence other than Ms. Palmer’s testimony, to object to any exhibits, or to cross-examine any other witnesses. Accordingly, Sierra Club requests that its Counsel be permitted to appear remotely as well.
5. In the alternative to complete remote participation by counsel, Sierra Club requests that the Commission permit its counsel to appear in person while presenting their opening statement and Mr. Palmer’s remote testimony, but be allowed to participate remotely during the remainder of the hearing.

6. Sierra Club requested feedback and has not heard any objection to this request from other parties.

WHEREFORE, Sierra Club respectfully requests the Public Service Commission grant this Request to Appear Remotely and for such other relief as is deemed proper under the circumstances.

Respectfully Submitted,
