File No. EO-2022-0332

NOTICE THAT BREAKOUT SESSION IS UNNECESSARY

Issue Date: September 13, 2022

The Staff of the Commission (Staff) filed *Staff's Motion for Order Requiring Parties to be Prepared to Answer Service Area Boundary Questions at Local Public Hearing/Motion for Expedited Treatment*, asking that the Commission require the parties to be prepared to answer all territorial service boundary questions at the September 15, 2022, local public hearing. Co-Mo Electric Cooperative and Union Electric Company d/b/a Ameren Missouri filed a joint response indicating that they had no objection to answering territorial agreement boundary questions at the local public hearing, and proposed a 5:30 p.m. breakout session on September 15, 2022, to answer those questions. Those parties also jointly filed a legal description and maps pertaining to the territorial agreement.

Staff's motion asks that "At a minimum, therefore, the parties should be prepared to answer questions at the local public hearing about service boundaries sufficient to allow owners and customers to know who their electric providers will be if the territorial agreement is approved." The parties have indicated their willingness to do so, therefore it is not necessary for the Commission to order them to be prepared to answer boundary questions.

Local public hearings require ten-day's notice prior to the hearing, and the proposed breakout session essentially changes the start time of the hearing, so the Commission will not order a 5:30 p.m. breakout session.
