Scott Gross    Alissa Ridge    4/9/2024    5:27 PM    S Gross met with Alissa Ridge. Alissa explained that they bought 4 acres from Miller Bros (her new home is on the East side of MO-WO-07-07-07-25-5-ROW). Our parcel data is out of date. Their property extends eastward almost to the neighbor's shed. Alissa's main concern is the proximity to the house. They just built a new home and if they knew this was going to happen, they would not have built here. Alissa understands that she may end up seeing the line, but doesn't want the line to bisect the Healy property and the Ridge property.
