07/16/2024 @ 8:18 am

by voicemail

Landowner Steve Massop called the hot line and requested a return call in regards to the transmission line and how it impacted the property. Requested a return call to either Steve Massop or Coleen Melindeman at 507-524-3726.

@ 8:45

by phone

Agent Sherry Wahn returned the call to 507-524-3726 and asked for either Steve Massop or Collen Melindeman. Coleen Melindeman responded on the phone stating the family had land under her brother Stever Massop and Joe Massop & Shirley Trust, Coleen is the daughter and joint trustee with Steve. Agent Wahn explained were the line is proposed to impact the three parcels but also explained the route has to be approved by the state of Missouri which can take 6 to 9 months. Agent Wahn offered to send over maps for the landowners to review. Coleen gave Agent Wahn the email meilag@hickorytech.net."

Agent Sherry Wahn sent maps of both Steve Massop and Joe & Shirley Massop Trust to meilag@hickorytech.net in the following email...

Good Morning Coleen,

Attached are the maps showing the proposed area for the future transmission line. Please let me know you received this. If you have any more questions don't hesitate to reach out. Remember, we will not receive approval from the state for 6 to 9 months.
