1. ATXI understands the reference to "'Notice of Application' letters" to mean notices of its application in this proceeding sent in compliance with the notice requirements set forth in 20 CSR 4240-20.045(6)(K). Nine (9) Notice of Application letters were sent by ATXI since July 5, 2024, as indicated by the filings in this proceeding identified as EFIS Item Nos. 40, 67, and 75.
2. Sixteen (16) parcels are associated with the Notice of Application letters referenced in ATXI's response to question 1. An easement or other permanent property interest would be needed for 10 of those parcels. To the best of ATXI's knowledge, information, and belief the other 6 parcels do not have a habitable structure within 300 feet of the proposed centerline of ATXI's proposed route but received notice because of ATXI's notification practices as described in the Direct Testimony of Leah Dettmers.
