Missouri, Inc.'s Changes to the Company's) **Case No. GR-2026-0120**
Purchase Gas Adjustment "PGA" Clause) Tracking No. JG-2026-0065

ORDER APPROVING PGA TARIFFS

Issue Date: November 14, 2025

Effective Date: November 19, 2025

On November 4, 2025,¹ Summit Natural Gas of Missouri, Inc. (SNGMO or Company) filed proposed tariff sheets to reflect changes in the Company's Regular Purchased Gas Adjustment (RPGA) factor as a result of estimated changes in the cost of natural gas. Also included in this filing is the annual change to the Actual Cost Adjustment (ACA). The tariff sheets were assigned Tracking No. JG-2026-0065 and bear an effective date of November 19.

SNGMO proposed changes in PGA rates for all customer classes by division as follows:

- For the Gallatin Division, the change will increase the firm sales customers' total PGA rate from \$0.3627 per Ccf² to \$0.5059 per Ccf.

The proposed change will increase an average winter month residential gas bill by approximately \$16.32, representing a 39.5% increase for the average month in the heating season, according to the Company's transmittal letter.

¹ Unless otherwise noted, all dates refer to the year 2025.

² Ccf is a volume measurement of natural gas and equals 100 cubic feet of natural gas.

- For the Warsaw and Lake of the Ozarks Divisions, the change will decrease the firm sales customers' total PGA rate from \$1.1356 per Ccf to \$1.0125 per Ccf. The proposed change will decrease an average winter month residential gas bill by approximately \$6.48, representing a 10.84% decrease for the average month in the heating season, according to the Company's transmittal letter.
- For the Rogersville and Branson Divisions, the change will decrease the firm sales customers' total PGA rate from \$1.1289 per Ccf to \$1.0737 per Ccf. The proposed change will decrease an average winter month residential gas bill by approximately \$4.68, representing a 4.89% decrease for the average month in the heating season, according to the Company's transmittal letter.

The Commission directed a recommendation and other responses to SNGMO's proposed tariff sheets be filed no later than November 13. The Staff of the Commission (Staff) filed its recommendation on November 13. No other responses were filed.

Staff stated that Case No. GR-2026-0120, the present case, was established to track SNGMO's PGA factors to be reviewed in its 2024-2025 ACA filing. Case No. GR-2025-0147 was established to track SNGMO's PGA factors to be reviewed in its 2023-2024 ACA filing. Staff recommended the rate changes proposed in the present case should be approved on an interim basis, subject to refund, and pending final Commission decisions in ACA Case Nos. GR-2026-0120 and GR-2025-0147. Staff also requested to file the results and recommendations regarding the information included in this ACA filing no later than December 15, 2026.

The Commission has reviewed the proposed tariff sheets and Staff's recommendation. The Commission finds that the proposed tariff sheets conform to SNGMO's Commission-approved PGA tariff. In addition, because SNGMO's PGA clause allows for PGA change filings to take effect after ten business days, good cause has been shown pursuant to Section 393.140(11), RSMo (2016), to permit the tariff to become effective on less than 30-days' notice. The Commission concludes the proposed tariff sheets should be approved to become effective on November 19, on an interim basis, subject to refund, and pending final Commission decision in this case and Case No. GR-2025-0147. For the same reasons that the tariff sheets will take effect in less than 30 days, the Commission finds it reasonable for this order to become effective in less than ten days.

THE COMMISSION ORDERS THAT:

1. The tariff sheets assigned Tracking No. JG-2026-0065 are approved on an interim basis and subject to refund, pending final Commission decisions in this case and in Case No. GR-2025-0147. The tariff sheets, which are approved to become effective November 19, 2025, are as follows:

P.S.C. MO No. 3

13th Revised Sheet No. 56, Canceling 12th Revised Sheet No. 56
13th Revised Sheet No. 57, Canceling 12th Revised Sheet No. 57
13th Revised Sheet No. 58, Canceling 12th Revised Sheet No. 58

2. On or before December 15, 2026, Staff's Procurement Analysis Department shall submit the results and recommendations of its ACA review.

3. This order shall become effective on November 19, 2025.
