Seller of Energy Services in the State of)
Missouri)

ORDER REJECTING APPLICATION AND CLOSING FILE

Issue Date: November 14, 2025

Effective Date: December 14, 2025

On September 8, 2025,¹ Pro Energy Partners, LLP filed an application for certification as a seller of energy services in the State of Missouri. The application is signed by Jarrett Rogers, President of Pro Energy Partners, LLP. Mr. Rogers is not identified as an attorney licensed to practice law in Missouri or any other state.

Section 484.020, RSMo (2016), restricts the practice of law to licensed attorneys. Consequently, Commission Rule 20 CSR 4240-2.080(1) requires pleadings filed with the Commission to be signed by an attorney authorized to practice law in Missouri. However, 20 CSR 4240-2.040(5) allows representation by non-attorneys if the non-attorney is a natural person acting solely on his or her own behalf and representing only him or herself.²

The application also indicates that the applicant is a partnership. Commission Rule 20 CSR 4240-2.060(1)(D) requires that any application filed with the Commission on behalf of a partnership include a copy of the partnership agreement. The application did not include a copy of the partnership agreement of Pro Energy Partners, LLP.

¹ Unless otherwise noted, all dates refer to the year 2025.

On September 9, 2025, the Commission issued a *Notice of Deficiencies in Application*, noting the above-referenced deficiencies and setting an October 9th deadline for Pro Energy Partners, LLP to correct the deficiencies. No response to the Commission's notice has been filed.

Pro Energy Partners, LLP's application for certification as a seller of energy services in the State of Missouri does not comply with Commission Rules and will be rejected.

THE COMMISSION ORDERS THAT:

1. The application for certification as a seller of energy services in the State of Missouri filed by Pro Energy Partners, LLP is rejected.
2. This order is effective on December 14, 2025.
3. This case will close on December 15, 2025.
