DIVISION OF ENERGY
DATA REQUEST

UNION ELECTRIC COMPANY d/b/a AMEREN MISSOURI,
CASE NO. ET-2016-0246

Requested From: ChargePoint, Inc.

Requested By: Alex Antal; alexander.antal@ded.mo.gov
Martin Hyman; martin.hyman@ded.mo.gov

Date of Request: November 10, 2016

Information Requested:

Please provide a list of ChargePoint's charging stations along the Interstate 70 corridor between St. Louis and Boonville and along the Interstate 54 corridor between Kingdom City and Jefferson City. As a part of this list, please indicate for each charging station:

1. The charging station location (e.g., street address);
2. What websites list the location of the charging station;
3. The charging station owner;
4. Whether or not the charging station is available for public use;
5. The electric utility service provider for the charging station;
6. The tariff and/or rate at which the charging station is served by the electric utility;
7. The rate charged to electric vehicle drivers for use of the charging station; and,
8. The types of chargers available at the charging station (e.g., Level 2-AC, Level 2-DC).

To the extent that any of the requested information is not available, please provide the remaining data where possible. If another party to this case issued a similar Data Request, please provide a copy of the response to that Data Request.

Response Provided:

Please see attached for the location, owner, access, pricing policy, and charger type for public charging stations located in the corridor requested.

ChargePoint does not own these charging stations and does not have any information about the electric utility service provider for the charging station (unless the utility owns the station) or the tariff that the charging station owner is paying to their electric utility.

ChargePoint Exhibit No. 303
Date 1-31-17 Reporter XF
File No. ET-2016-0246

The location of these public charging stations is listed on the ChargePoint website, ChargePoint mobile app, in-vehicle and hand-held navigation systems in partnership with BMW, Fiat, Nissan, Airbiquity, SiriusXM, TomTom and MapQuest, and on the US Department of Energy Alternative Fuels Data Center: <http://www.afdc.energy.gov/>.

NOTE: Private charging stations including residential home or workplace charging stations with access restricted to employees or fleet vehicles are not publicly listed anywhere and are not in the attachment. ChargePoint does not own these charging stations and cannot report their location without violating individual customer agreements.

The information provided in response to the enclosed data information request is accurate and complete, and contains no material misrepresentations or omissions, based upon present facts of which the undersigned has knowledge, information or belief. The undersigned agrees to promptly notify the requesting party if, during the pendency of Case No. ET-2016-0246 before the Missouri Public Service Commission, any matters are discovered which would materially affect the accuracy or completeness of the attached information.
