**RE: UNOPPOSED REQUEST FOR EXTENSION TO IDENTIFY NEW LEGAL
COUNSEL - MHMUP v. JOHNSON - MC-2025-0108**

Judge Hatcher:

I am writing to request a one week extension, up to and including November 25, 2025, to identify new legal counsel for Respondent (myself and whatever related corporate entities may be parties) in the above-referenced matter. I have potential legal counsel in Jefferson City reviewing the matter and considering an engagement to enter an appearance in the case. Additional time is required to confirm this engagement, due to counsel's existing workload and desire to review the file in more detail before finalizing an engagement.

Counsel for Complainant has been consulted and has no objection to this extension request.

Thank you for your attention to this matter.

Sincerely,

s/Stephen L. Johnson, Respondent
