Subject: Missouri Renewable Energy Standard update

The most recent revision of the Missouri Renewable Energy Standard draft rules were discussed at the Commissioner's agenda meeting last Wednesday (October 7). Each of the Commissioners expressed their preferences for the alternatives that were provided in Revision 13 of the draft Chapter 20 rule. I have provided them a summary of those discussions. The summary is attached to this e-mail. I have also attached a copy of the draft of the Chapter 20 rule that was being discussed.

An updated revision of the draft rules will be discussed again next week in the Commissioner's agenda meeting (scheduled for Thursday).

If you have any questions, please contact me.

Thanks

Mike Taylor
