RESPONSE TO STAFF RECOMMENDATION

COMES NOW Missouri-American Water Company (“MAWC”) and as its *Response to Staff Recommendation* respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On September 3, 2025, MAWC filed its *Petition to Establish a Water and Sewer Infrastructure Rate Adjustment (WSIRA)* (“Petition”) pursuant to the provisions of the Missouri Water and Sewer Infrastructure Act, Sections 393.1500 and 393.1509, RSMo., and Commission Rules 20 CSR 4240-2.060(1) and 20 CSR 4240-10.185. The WSIRA Petition was filed based on the actual WSIRA eligible investment placed in service for the period May 1, 2025, to July 31, 2025, with estimated WSIRA costs for August 1, 2025, through October 31, 2025, also included. MAWC supplied the actual WSIRA investments for August 1, 2025, through October 31, 2025, during the course of this case.

2. On December 2, 2025, the Staff of the Commission (“Staff”) filed its *Staff Recommendation* concerning the Petition and, subsequently, Staff filed its *Amended Staff Recommendation* on December 9, 2025

3. MAWC has reviewed the *Staff Recommendation*, as amended, and does not object to Staff’s recommended total incremental pre-tax WSIRA revenues of \$15,567,151. MAWC further agrees that this total includes \$12,279,215 from St. Louis County water customers,

\$3,079,305 from All Other water customers, \$1,861 from Arnold sewer customers, and \$206,769 from All Other sewer customers.

4. Accordingly, attached as **Appendix A** (water) and **Appendix B** (sewer) are exemplar tariff sheets that MAWC would file and seek approval of as a result of the revenue requirements identified in the *Staff Recommendation*. The sheets found in Appendix A include the revised Rate B as described in the *Amended Staff Recommendation*.

WHEREFORE, MAWC respectfully submits this *Response to Staff Recommendation* and requests that the Commission issue an order approving the WSIRA revenues for MAWC as described herein.

Respectfully submitted,
