Chief RLI Nancy Dippell, Secretary  
Missouri Public Service Commission  
P.O. Box 360  
Jefferson City, 65102

**Re: File No. SR-2026-0093**  
**Timber Creek Sewer Company (Sewer)**

Dear Judge Dippell:

On behalf of Timber Creek Sewer Company (“TCSC” or “Company”), I am providing this letter to the Missouri Public Service Commission (“Commission”) to initiate a Staff Assisted Rate Case Procedure (Commission Rule 20 CSR 4240-10.075).

TCSC seeks to implement an increase in its overall annual operating revenues associated with sewer service provided by the Company in the amount of approximately \$890,000.

TCSC last increased its sewer rates effective April 28, 2011, at the conclusion of Commission Case No. SR-2010-0320. TSCS currently charges residential customers \$36.71/month in Platte County and \$28.50/month in Clay County pursuant to its effective tariff.

Much of the requested increase is related to TCSC’s investment in additional and necessary capacity for the Prairie Creek facility, additional and rehabilitated ultraviolet treatment across all facilities, continuous power improvements, collection system inspection and cleaning, collection system repairs, infrastructure repairs and replacement for all facilities, and increased operational expenses.

Please see that this filing is brought to the attention of the appropriate Commission

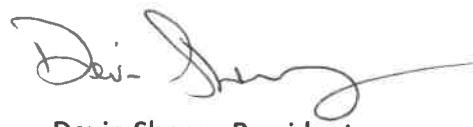

---

personnel, and please let me know if you have any questions or concerns regarding this tariff filing.

Sincerely,

TIMBER CREEK SEWER COMPANY

By:   
Devin Sherry
