

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of
Ameren Transmission Company of
Illinois for a Certificate of Public
Convenience and Necessity to
Construct, Install, Own, Operate,
Maintain, and Otherwise Control
and Manage a 138 kV Transmission
Line and associated facilities in
Perry County, Missouri

File No. EA-2025-0222

NOTICE OF CORRECTION

COMES NOW Ameren Transmission Company of Illinois (“ATXI”) and
hereby provides its notice of correction to the record:

1. On Thursday, December 18, 2025, the parties attended a conference to discuss the next steps of the case before Administrative Law Judge Kenneth J. Seyer.
2. During that conference, Michael R. Tripp, counsel for Ameren Transmission Company of Illinois (ATXI), represented to the Commission that the Office of Public Counsel (OPC) had not proposed alternative language to the notice letter or to the easement document. This was a misstatement of the facts, though unintentional.
3. Counsel for ATXI failed to recall at the time an email communication from OPC on November 10, 2025, which set out proposed language to

both documents and which was sent during briefing by the parties on the issues. In preparation for the conference, counsel for ATXI had reviewed the briefing on file with the Commission, which did not refer to the proposed language; his failure to recall the email was due to faulty memory.

4. Once OPC's counsel alerted counsel for ATXI of the misstatement, counsel for ATXI acknowledged the error and agreed to provide a notice of correction to the Commission. This filing is intended to accomplish that purpose.

WHEREFORE, ATXI requests that the Commission accept this Notice of Correction.

Respectfully submitted,
